MARCH 2010

PTO News

The Scholastic Book Fair was very successful with nearly \$5000 in total sales which provides \$2850 for books and teacher materials in our library. We want to especially thank Kristin Young and all our Book Fair volunteers for their hard work.

Due to the success of this year's Fall Festival, the PTO was able to install new computer systems in each of the 13 classrooms that did not have working computer systems. A special thank you to CAD Futures for their efforts in making this happen and to Kristin Bailey for coordinating this project. We are currently working on a mobile computer lab with several laptops for our students to use in the classroom setting. We will need 8-12 laptops to complete this project. If you have a laptop to donate to this project, please let us know.

Congratulations to all who helped: the One 4 Books program raised \$105 for CDS!

Spring Open House

We are having a Spring Open House for potential elementary students and their parents on April 7th. We will be sending personalized invitations to families that have expressed an interest in our school. If you know of families who might be interested in *the Academy*, please let us know and we'll invite them to see and experience the truly outstanding educational opportunity available right here in downtown Greenville!

Our Library needs parent volunteers who are willing to help out a few times a month. We are looking for volunteers to help on Tuesday or Thursday afternoons from 1:00 to 2:00. Please contact Lea Fulk at lbfulk@charter.net or 864-277-7451 if you are interested.

Celebrating the 100th Day of school by really old K-5 Students & really, really old Teachers!!

2010-2011 Academic Year Calendar

Next year's academic calendar is on the back of this newsletter. Note that both elementary and preschool classes begin on the same date this year.

The latest and most "up-to-date" *Academy* calendar is always available on our web site: www.firstpresbyterianacademy.org
